

## The Big Tops & Tiny Tots Circus Show Workshops

Big Tops & Tiny Tots has an optional accompanying workshop after the show.

Workshops are a fun 30 minute class introducing kids to a range of circus and physical skills including skipping, scarf juggling and balancing. With a focus on developing fine and gross motor skills, teamwork & communication, workshops are a great way for kids to put into practice some of the tricks they've seen in the show.

**Workshop duration:** 30 minutes

**Maximum number of participants:** 30 children

**Age range:** 3 – 6

**Parental supervision:** Parents/guardians are encouraged to join in with the workshop, and are required to remain in room to supervise their child.

**Space requirement:** Clear space approx 8x8m minimum, but the more the better. Usually, the performance space with any chairs cleared back & props tidied is enough room. Standard room height.

**Floor surface:** Anything except concrete or asphalt.

**Minimum gap between end of show and start of workshop:** 15 minutes

**Workshop fee:** \$100 + gst when combined with performance.
